Hoedspruit Endangered Species Centre

ABOUT HOEDSPRUIT ENDANGERED SPECIES CENTRE

The Hoedspruit Endangered Species Centre (HESC) has established itself as one of the leading private research and breeding facilities for endangered species in the country.

Governed by a progressive and modern management approach, it concerns itself with the breeding and maintenance of several endangered indigenous wildlife species in southern Africa.

The Centre places particular emphasis on the breeding and maintenance of cheetah in captivity.

STANDARD TOUR

Normal tour hours:

09h00 / 11h00 / 13h00 / 15h00

During national holiday season (including public holidays and long weekends) tours will be conducted at the following times:

08h00 / 10h00 / 12h00 / 14h00 / 16h00

The duration of each tour is 2 hours. This enables visitors to have sufficient time to ask questions to their guide, and to enjoy in-depth tour of the centre.

Please note prior reservations are essential. Please refer to our rate sheet for more information on special packages and accommodation bookings.

DELI @ CHEETAH CENTRE

Visitors may enjoy a selection of home baked cakes and a light meal under thatched cover overlooking the Centre's enclosures. Refreshments such as coffee, tea, soft drinks, wine and beer are but some of the offerings available.

The Deli @ Cheetah Centre is open all year round, 7 days a week (excluding Christmas Day, 25th December).

Groups can be catered for, but we recommend advance bookings to guarantee sufficient serving time.

CURIO SHOP

One of the most imported sources of funding at HESC is the curio shop; stocked to the brim with locally made artifacts, wildlife literature, and children's toys.

Local communities make many of the pieces for sale in the shop and these artisans are renowned for their proficiency in beading and weaving.

All proceeds from sales in the curio will go towards the care and up keep of the hundreds of animals and birds housed at The Centre.
