- No liquor on tour;
- No smoking on tour;
- No cannabis or other drug substances allowed on HESC premises;
- No eating on tour;
- Toilet facilities, curio shop and Educational Centre at HESC;
- Wearing of masks is compulsory in terms of Covid protocol.

#### PLEASE NOTE:

Cancellations due to fear of contracting COVID-19 or the prevalence of comorbidities will not constitute legitimate grounds for cancellation with waived fees.

#### CANCELLATION POLICY

- 1 week in advance – no cancellation charge
- Under 1 week – 30% handling fee deducted from refund
- There will be no charge if cancellations are made for the following reasons related to COVID-19:
  - Guests are not permitted to travel due to government regulation by either South Africa or clients' country of residence;
  - Airlines discontinue operations to South Africa over the period of intended travelling;
  - A travel advisory is put in place against travelling to South Africa (proof of this will be requested from client);
  - South Africa falls under official government-sanctioned lockdown;
  - A mandatory quarantine period is imposed by South Africa or on return to the guest's country of residence;
  - If the guest has contracted COVID-19 and is in quarantine or under medical treatment up to 48 hours prior to travel (supportive documentation will be required);
  - If HESC has a medical incident related to COVID-19 and is forced to close temporarily.
